

Soft Jaws Large

CNC machine time is valuable and instead of consuming that time machining end use parts with non-value-added tooling, East/West Industries used their Fortus 450mc™ to produce this large soft jaw for secondary machining operations. This allowed them to reduce lead time by weeks and accelerated time to market by 40%.

System	Fortus 450mc™
Material	FDM Nylon 12CF™
Build Time	21 hrs, 27 mins
Material Used	67 in ³ (170.2 cm ³)
Support Material Used	6.5 in ³ (16.5 cm ³)
